

Our Vision:

To be a leading training provider through the provision of quality Education and Training products and services within South Africa and beyond.

Mission Station:

- To preserve the highest standard of professionalism, quality, efficiency, sustainability and accountability.
- To acknowledge, develop and enhance human resources irrespective of gender, race, colour and creed through training.
- Training in SAQA-aligned learning materials, in the areas of Adult Education and Training (AET), Vocational and Skills Courses.
- To develop service standard where client/ learner is king, while remaining competitive and profitable.
- To build capacity and empower individuals and organizations through participation and attainment of common goals.
- To encourage employment creation thereby raising the standard of living for partner organisations and surrounding communities.
